Summary of Investment Objectives

The Fund aims to provide long-term capital appreciation by investing in growth stocks in developed, emerging and frontier markets across the entire market capitalisation spectrum. The Investment Managers and the Investment Co-Managers, located in various countries around the globe, will develop local portfolios of securities with the intention to outperform the relevant market of each region. The Fund's exposure to various regions and markets may vary from time to time according to the Manager's opinion as to the prevailing conditions and prospects for these markets.
