## What is this product?

### Type

The product is a share class of the sub-fund Franklin India Fund (the "Fund") which is part of Franklin Templeton Investment Funds, an open-ended investment company with variable capital (SICAV), qualifying as a UCITS.

### Term

The Fund has no maturity date. The Fund could be closed under the conditions laid down in the current prospectus of the Fund.

### Objectives

#### Investment Objective

To seek long-term investment growth, mainly through growth of capital.

#### Investment Policy

The Fund mainly invests equities of companies of any market capitalisation that are located in, or derive significant business from India.

These investments may include depositary receipts and convertible securities. To a lesser extent, the Fund may invest in private companies

**Derivatives and techniques** The Fund may use derivatives for reducing risks (hedging) and costs, and to generate additional income or growth (in accordance with the risk profile of the Fund).

**SFDR category** Article 8 (promotes environmental and/or social characteristics under EU regulations).

The investment manager applies a proprietary rating methodology using various ESG criteria to assess long-term opportunities and risks. The Fund favours companies with a high or improving profile and excludes or restricts investments in certain industries that are harmful to the environment or society, such as thermal coal, weapons and tobacco. The investment manager engages in dialogue with companies concerning ESG issues.

## What are the risks and what could I get in return?

### Risk Indicator

The risk indicator assumes you keep the product for 5 year(s). The actual risk can vary significantly if you cash in at an early stage and you may get back less.

The summary risk indicator is a guide to the level of risk of this product compared to other products. It shows how likely it is that the product will lose money because of movements in the markets.

We have classified this product as 4 out of 7, which is a medium risk class. This rates the potential losses from future performance at a medium level, and poor market conditions could impact the capacity to pay you.

**Be aware of currency risk.** In some circumstances, you may receive payment in a different currency, so that the final return you get may depend on the exchange rate between the two currencies. This risk is not considered in the indicator shown above.

Other risks materially relevant to the product not included in the summary risk indicator:

- Emerging markets risk

For a full discussion of all the risks applicable to this Fund, please refer to the "Risk Considerations" section of the current prospectus of the Fund.

This product does not include any protection from future market performance so you could lose some or all of your investment.

## Performance Scenarios

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back. What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the product over the last 10 years. Markets could develop very differently in the future.

### Recommended holding period: 5 years

Example Investment: 100000 SEK

Scenarios	Returns	If you exit after 1 year	If you exit after 5 years
Minimum	There is no minimum guaranteed return. You could lose some or all of your investment.	-	-

## What happens if Franklin Templeton International Services S.à r.l. is unable to pay out?

Franklin Templeton International Services S.à r.l. ("FTIS") is the management company of the Fund, but the assets of the Fund are held separately from FTIS by the depositary. J.P. Morgan SE, Luxembourg branch, as the appointed depositary, is liable to the Fund or its shareholders for losses caused by its negligent or intentional failure to fulfill its safekeeping or record-keeping obligations (cash could however be lost in case of default of the depositary or its delegates). There is no compensation or guarantee scheme protecting you from a default of the Fund's depositary.

## What are the costs?

The person advising on or selling you this product may charge you other costs. If so, this person will provide you with information about these costs and how they affect your investment.

### Costs over Time

Costs over Time	If you exit after 1 year	If you exit after 5 years
Total costs	1 208 SEK	9 186 SEK
Annual cost impact (*)	1.2%	1.2% each year

(\*) This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 11.7% before costs and 10.5% after costs.

We may share part of the costs with the person selling you the product to cover the services they provide to you. They will inform you of the amount.

Please note that the figures shown here do not include any additional fees that may be charged by your distributor, advisor or any insurance wrapper in which the fund may be placed.

## How long should I hold it and can I take money out early?

### Recommended holding period: 5 year(s)

This Fund has no minimum required holding period. We consider that the 5 year recommended holding period is appropriate because the Fund is designed for long-term investment. You may sell your shares on any dealing day. The value of your investments may go down as well as up irrespective of the period you are holding your investments, depending on such factors as the performance of the Fund, movements in stock and bond prices, and conditions in financial markets generally. Please contact your broker, financial adviser or distributor for information on any costs and charges relating to the sale of the shares.

## How can I complain?

Investors who would like to receive the procedures relating to complaints handling or wish to make a complaint about the Fund, the operation of FTIS or the person advising on or selling the Fund, should go on the website [www.franklintempleton.lu](http://www.franklintempleton.lu), contact Franklin Templeton International Services, S.à r.l., 8A, rue Albert Borschette L-1246 Luxembourg, or send an e-mail to the client service department at [service.Lux.franklintempleton@fisglobal.com](mailto:service.Lux.franklintempleton@fisglobal.com).
